DATE SHEET FOR SA-II (2016-17) Class-IX & XI

Circular No:KWS/16-17/250

Date: 27.02.17

Dear Parents

Greetings for the day!

Exams are necessary in the educational institutions to find out the real skills, talents and knowledge of the students. Assessments teach us lot of things and give training to various things like punctuality, writing skills, timing sense, expressing thoughts and opinions and so on. It also helps a lot to bring an improvement in the individual's knowledge because they provide regular feedback to the students who acknowledge their shortcomings and work on them. With the objective of letting the children realize their abilities and giving them an acknowledgement for the same, we will commence our **Summative Assessment II Examination** for the session 2016-17 from **10.02.17**. We hope that your cooperation will help the students perform with the best of their potential. Their devoted performance will act as a reward for the school as well as their tireless facilitators.
