Date: 28.11.16

Dear Parents

Greetings for the day!

Exams are integral part of the educational curriculum. It teaches us lot of things like punctuality, writing skills, timing sense, expressing our thoughts and opinions and so on. Without exam it is very hard to find out the real knowledge of an individual student as well as students will lose their motivation towards their studies. It will improve their confidence level and level of knowledge towards their studies. With the objective of letting the children realize their abilities and giving them an acknowledgement for the same, we will commence our **PRE-BOARD EXAMINATIONS** for the session 2016-17 from **16.12.16**. We hope that your cooperation will help the students perform with the best of their abilities.
