MATHS

UNITNO.	KEY CONCEPT /VALUE POINT	LEARNING OBJECTIVE
---------	--------------------------	--------------------

APRIL

Numbers and Numbers Names	Use of spike abacus, numbers in words and in figures. Expanded forms, place value-face value, order relation , successor.	Compare two digit numbers and say which is greater , read and write four digit numbers.
Additions	Predecessor, formation of smallest and greatest numbers . addition without regrouping and with regrouping . estimating the sum properties of additions.	Apply the skills of addition to solve word problems

Reference Book/ Web link : www.mathsisfun.com/inumbers/counting.names-100html

MAY

Subtractions	Subtraction without borrowing and with borrowing . estimating the difference , addition and subtraction together	Apply the skills of subtraction to solve everyday problem.
--------------	--	--

Reference Book/ Web link : www.mathsisfun.com/numbers/subtraction.html

JULY

Multiplication	Multiplication by 1 digit number multiplication by 10, 100, 1000 properties of multiplication.	Multiply up to 3 digit numbers by 1 and 2 digit numbers.
Division	Properties of division, division by one digit numbers. Division by 10, 100 and word problems	Apply the skills of multiplication and division to solve word problem and everyday problem.

Reference Book/ Web link : www.mathplayground.com/index_multiplication_division.html

AUGUST

Fractions	Fraction as a part of whole, representations of fractions, numerator and denominator.	Represent part of a whole and explain the meaning of the numerator and denominator in a fraction.
Money	Conversion, addition and subtraction of money. Multiplication of rupees and paisa by a number, making bills.	Apply the knowledge to everyday life situation of shopping and checking bills.

Reference Book/ Web link : www.maths-adds.com/money_
www.mathsisfun.com/fractions.html

UNIT NO. & LESSON	KEY CONCEPT /VALUE POINT	LEARNING OBJECTIVE
SEPTEMBER		
REVISION		
OCTOBER		
Measurement of length Measurement of mass. Measurement of capacity.	Conversions of units addition and subtraction of units of length, conversion of unit of mass. Addition and subtractions of kilograms and grams. Conversions of units of capacity. addition and subtraction of litres and millilitres.	State the units in which length is measured. State the units in which mass is measured. Convert weight from one unit to another. State the units in which capacity is measured
Reference Book/ Web link : Mathematics by R.D Sharma		
NOVEMBER		
Time	Reading the time in hours, half hours and quarter hours , reading time in hours and in 5 minutes correctness , estimating time, conversion of time.	Read the clock to measure nearest 5 minutes. Write time in a.m. and p.m.
Reference Book/ Web link: www.timeanddate.com/worldclock		
DECEMBER		
Geometry Patterns	Description of basic shapes, planed and curved surface, straight and curved lines, open and closed figures, side, front-top, views. Mirror images and Tangrams. Geometrical patterns, number patterns even and odd numbers , addition properties of even and odd numbers	Represent simple plane figures and state their properties, measure and draw line segments , define points, line, line segments and rays. Recognise simple patterns in figures and numbers.
Reference Book/ Web link: www.mathsisfun.com/geometry/ , en.wikipedia.org/wiki/Pattern		
JANUARY		
Data handling	Tallies and vertical bars. Reading a pictograph	Question answers about data shown on a pictograph
FEBRUARY		
REVISION		

SCIENCE

CHAPTER AND KEY CONCEPT	ACTIVITY	LEARNING OBJECTIVE
-------------------------	----------	--------------------

APRIL

CH- 1 Living and Non Living Thing	Keep cut money plant branches in bottle half filled with water, Leave it near the window and note down the changes you observed in the plant.	To identify the things as living and non living. Comparing living and non living things; plants and animals. Features of living things
CH-9 Weather	To measure the temperature of the air around us To know the direction of wind	To list the changes in weather To list the different type of seasons and their features.

Reference Book/ Web link : www.bbc.co.uk/schools/scienceclips/ages/5_6/ourselves.html.

MAY

Ch- 2 Parts of a Plant	Collection of leaves of different types and pressing them in a scrap book. To understand the structure of a leaf.	Naming of different parts of a plant. To recognize that each part performs a particular function to keep alive.
------------------------	--	--

Reference Book/ Web link : www.mbgnet.net/bioplants/parts.html.

JULY

Ch-6 Keeping Safe	1.Make a first aid box 2. Preparation of a safety board. Cut the pictures from articles on safety in from newspapers/magazines and put them on cardboard sheet with help of thumb tack(Drawing pins)	To recognize the places where we need to be safe. To describe how we can acquire safe habits.
Ch- 4 Birds	Collection of feathers in scrap book. Making of a bird table	To describe the body of a bird and identify the different kinds of feathers

Reference Book/ Web link : www.abirdsworld.com/html/kidsnest.html

AUGUST

Ch- 7 Housing and Clothing	To show how fibre is woven into a cloth	Write the features of a good house List the ways to clean the house Differentiate between natural and manmade fibres
Ch- 8 Air and Water	Painting of clouds and rain drops	To identify different forms of water present all around us. Description of water cycle

Reference Book/ Web link : www.kidzone.ws/water.wwwpreschools4all.com/easy-science-experiments.html

CHAPTER AND KEY CONCEPT	ACTIVITY	LEARNING OBJECTIVE
SEPTEMBER		
Ch 5- Soil and Rocks	Collect soils of different kinds in small packs and paste them in scrap file. Get seeds /saplings of any 2 fruits/ vegetables and plant them in soil with the help of your parents	Recognize the importance of soil. To describe the formation of soil from rocks. Define the composition of soil Comparison of different types of soil.
REVISION		
OCTOBER		
Ch- 3 Animals : food and more Ch- 14 Measurement	To make a food chain by pasting pictures of plants and animals. Pasting the labels of different eatables showing the weight written on them.	To recognize the different eating habits of animals. To match the mouth parts of animals to their eating habits. To identify the units of measurement for length, mass, capacity. Measurement of time and temperature. To understand the concept of telling the time correctly.
Reference Book/ Web link : www.science.ratnasagar.co.in		
NOVEMBER		
Ch- 13 The Human Body	To know about the different organ systems present in human body Study about major functions of each organ system as well as the specifications of each organ.	To identify the different organs and name the organ systems. To recognize the sense organs and describe their functions.
Reference Book/ Web link : www.learninggamesforkids.com/health_games_body_parts.html .		
DECEMBER		
Ch-12 Light, Force and Sound CH -11 The Earth	To differentiate among various types of sounds Making a list of pleasant and unpleasant sounds. To show the causes of day and night while rotation Making models of solar system	To identify the sources of light To analyse the formation of shadows. To describe how sound is produced To describe the structure of the earth To describe the movement of the earth and interpretation of the formation of day and night, seasons
Reference Book/ Web link : www.sciencekids.co.nz/gamesactivities/lightshadows.html		

CHAPTER AND KEY CONCEPT	ACTIVITY	LEARNING OBJECTIVE
JANUARY		
Ch-10 Heavenly Bodies	To learn about the shape of the earth, space, space craft and astronauts, man on the moon and life on the moon	To describe about the space travel, spacecraft. Life on the moon.
FEBRUARY		
REVISION		

SOCIAL SCIENCE

CHAPTER	KEY CONCEPT	LEARNING OBJECTIVE
---------	-------------	--------------------

APRIL

Ch-1 The Sun and its family	Defining and sequencing of planets	Learner will know more about: Sun Planets Stars Satellite
Ch-2 Our planet Earth	Earth- a unique planet	Understanding the importance of Earth continents and oceans

Reference Book/web link: www.kidsastronomy.com

MAY

Ch- 3 Knowing our earth	Globes, maps and atlas, atmosphere, air pollution	Knowing more about Globes maps and atlas Learner will know more about Air and atmosphere Air pollution Steps to keep air clean
Ch-4 The Air around us		

Reference Book/web link: <http://www.dec.ny.gov/education/52021.html>

JULY

Ch- 5 Water we Drink	Diagram on water cycle	Learner will know more about Uses and forms of water Water cycle
Ch- 6 Our Country	National symbols National Festivals	Learner will know more about National symbols National festivals

Reference Book/web link: www.epa.gov/safewaterkids/flash/flash_watercycle.html

AUGUST

Ch-7 States of India	States and Union territories	Learner will know more about the states and union territories in India.
Ch- 8 Important cities of India	New terms- Harbour and Humid	Learner will know more about Important cities in India

Reference Book/web link: http://india.gov.in/knowindia/state_uts.php

SEPTEMBER

Ch-9 India and its Culture	Languages, Dance forms and musical Instruments Food habits, Spices	Learner will Study about the languages spoken in India, Dance form and music of India Learner will know more about the food habits , spices and cooking oil.
Ch-10 Food we eat		

Reference Book/web link: http://en.wikipedia.org/wiki/culture_of_india

CHAPTER	KEY CONCEPT	LEARNING OBJECTIVE
SEPTEMBER		
REVISION		
OCTOBER		
Ch- 11 Clothes we wear	Traditional Dresses of India	Learner will know more about different dresses worn in India.
Ch- 12 Festivals we Celebrate	National festivals , Harvest festival	Learner will know more about the Importance of festivals and how they are Celebrated.
Reference Book/web link: http://en.wikipedia.org/wiki/culture_of_india		
NOVEMBER		
Ch- 13 My community and I	Community Helpers, Important Buildings	Learner will know more about Our dependence on the community Important buildings in our community
Ch-14 Occupations	Difference between hobby and occupation	Learner will know more about Occupation Differentiate between occupation and hobby
Reference Book/web link: http://transport.delhigovt.nic.in/transport/trlc.html		
DECEMBER		
Ch-15 Means of Travel	Modes of Transport, Road safety	Learner will understand the importance of transport and road safety
Ch- 16 Means of Communication	Personal and mass communication	Learner will be able to define communication.
Reference Book/web link: http://transport.delhigovt.nic.in/transport/trlc.html		
JANUARY		
Ch-17 Early human Beings	Stone age , Importance of Fire	Learner will understand about how humans reached their present state , define Stone age
Ch - 18 Discovery of Fire		Learner will understand the Evolution of fire .
FEBRUARY		
Ch - 19 Farming and Wheel	Nomads , farming and Domestication	Learner will understand Evolution of Farming Domestication of animals Invention of wheel
Reference Book/web link: http://en.wikipedia.org/wiki/history_of_agriculture		

COMPUTER

UNITNO. & CHAPTER	PRACTICAL	KEY CONCEPT	LEARNING OBJECTIVE
-------------------	-----------	-------------	--------------------

APRIL

Ch-1 Introduction to Computer	Make an list of I/O devices	Introduction	Learn parts of Computer
Ch-2 Keyboard	Writing a paragraph on Computer Using Alphabet Keys	Parts of Computer QWERTY Keyboard Types of Keys	To define keyboard and its types

Reference Book/web link: www.webopedia.com/TERM/K/keyboard.html

MAY

Ch-3 Operating System	Identify OS in computer Lab. Get familiarity with Windows Icons.	Operating System Microsoft Windows	To define Operating System
------------------------------	---	---------------------------------------	----------------------------

Reference Book/web link: : www.computerhope.com/os.htm

JULY

Ch-4 Operating the Computer	Identify operating system in computer Lab. Get familiarity with Windows Icons.	Type of Operating System Desktop and Icons	Learn basics of Operating system.
------------------------------------	---	--	-----------------------------------

Reference Book/web link: www.computerhope.com/os.htm

AUGUST

Ch-5 Starting Paint	Opening & Closing Paint creating a HUT	Starting & Closing Paint Contents of Paint Window	Learn to use Paint brush to draw shapes
----------------------------	--	---	---

Reference Book/web link: www.microsoft.com

SEPTEMBER

Ch-6 Drawing in Paint	Making drawing using Tool Box	Tool Box Saving a Drawing	To use Tool Box to make drawings
------------------------------	-------------------------------	------------------------------	----------------------------------

Reference Book/web link: www.computerhope.com/os.htm

UNITNO. & CHAPTER	PRACTICAL	KEY CONCEPT	LEARNING OBJECTIVE
-------------------	-----------	-------------	--------------------

OCTOBER

Ch-7 Introduction to LOGO	Opening & closing LOGO	Opening & closing LOGO	To Open and Close LOGO program
Ch-8 LOGO Commands	Making a Rectangle using FD,RT Commands in LOGO	FD COMMAND RT COMMAND LT COMMAND BK COMMAND	To make shape using LOGO commands

Reference Book/web link: : WWW.ask.com/MSW+Logo+Turtle

NOVEMBER

Ch-9 Writing with LOGO	Writing text on logo screen	Print Commands Label Commands	Learn to use more LOGO commands
Ch-10 Arithmetic with LOGO	Performing Calculation using LOGO commands	Addition, Subtraction	Learn to use more LOGO commands

Reference Book/web link: WWW.ask.com/MSW+Logo+Turtle

DECEMBER

Ch-11 Notepad	Writing paragraph in Notepad	Starting, Closing, Saving and opening Notepad	Learn to start, Close, Save and open Notepad
----------------------	------------------------------	---	--

Reference Book/web link: WWW.microsoft.com

JANUARY- FEBRUARY

PROJECT WORK

G.K.

CHAPTER

LEARNING OBJECTIVE

APRIL

THE NATURAL WORLD

Water animals , Creepy crawlies
Animal homes, Living in trees
Highs and lows They are in danger
Unique nature ,

- Identify and list the characteristics of water animals and creepy crawlies.
- Identify, recognize and list different animals homes and arboreal animals.

Reference Book/web link: <http://www.sciencekids.co.nz/sciencefacts/earth.html>

MAY

They are in danger
Unique nature

- Identify, recognize danger

Reference Book/web link: <http://www.sciencekids.co.nz/sciencefacts/earth.html>

JULY

SCIENCE AND TECHNOLOGY

Compu- talk ,Mysterious universe
Sources of energy , Our amazing body
Moving around ,What are these made up of ?
Amazing inventions ,Food facts

- Identify computer icons
- List various sources and type of energy
- List various transport system in India.

Reference Book/web link: <http://www.sciencekids.co.nz/scihcefacts/technology.html>

AUGUST

KNOWING INDIA

States of India ,Leaders of India
Touring the country ,Celebrating the seasons
They make us proud ,Knowing northern India

- List and name states famous leaders of India.
- List famous tourist places in India
- Indians who made us proud.

Reference Book/web link:<http://kids.yahoo.com/reference/world-factbook/country/in-india>

SEPTEMBER

AROUND THE WORLD

What causes pollution ,City tour
Deadly disaster ,Places of worship
Famous faces, Travelling the continents
Wastes that matter, By the river

- List the causes of pollution and uses of wastes material.
- Identify famous cities and faces of world

CHAPTER**LEARNING OBJECTIVE****OCTOBER****SPORTS**

Sports and games ,Sports stars we adore
Sports competitions ,Traditional games ,Hockey

- Identify different kinds of sports and traditional games.
- Appreciate famous sports stars.
- Understand the game hockey

Reference Book/web link: <http://www.topendsports.com/sport/index.html>

NOVEMBER**ART AND ENTERTAINMENT**

Film fun ,Writers gallery
Sensible similes ,Singing sensation
Musical melodies

- Identify various writers.
- List and name different singers.
- Appreciate famous fun films and stories.

Reference Book/Web link :<http://library.thinkquest.org/j001159/famart.html>

DECEMBER**LIFE SKILLS**

Safety on the road, Good manners at the table

- List road safety rules.
- Learn table manners.

Reference Book/Web link :<http://www.internet4classrooms.com/ct-lsk.htm>

JANUARY**OUR ENVIRONMENT**

Making friends with the 3rs
Saving energy (logical reasoning)
Find the difference odd one out

- Understand 3Rs and importance of energy saving.

Reference Book/Web link :<http://www.internet4classrooms.com/ct-lsk.htm>

ART EDUCATION

NAME OF ACTIVITY	PRACTICAL	LEARNING OBJECTIVE
------------------	-----------	--------------------

APRIL-MAY

Basic of art	Line types Line directions Shapes Colouring	**children sketching skills will improve. *children observation power will improve. *able to catch the rite figure in forms. *it will improve their coloring skills.
--------------	--	---

Reference Book/web link: www.google.com

JULY-JANUARY

craft work	Art & craft work (from book & from personal planner)	*creative skills will improve.
------------	---	--------------------------------

Reference Book/web link: www.google.com

FEBRUARY

worksheet	Worksheet to get assessment marks	*these sheets will show the final ability
-----------	-----------------------------------	---

Reference Book/web link: www.google.com
