जनवरी			
नूतन सरल हिंदी पाठ-15 परख	उद्देश्य एवं विधेय योजक चिह्न, कहानी लेखन,	मौसमी बीमारियों के नाम तथा उनके उपचार लिखें।	उद्देश्य एवं विधेय का ज्ञान कराना।
फरवरी			
पुनरावृत्ति			

MATHS

UNITNO.	KEY CONCEPT /VALUE POINT	LEARNING OBJECTIVE
---------	--------------------------	--------------------

APRIL

Numbers and Numbers Names	Representations of numbers on spike abacus, writing the numbers in words and in figures Expanded forms, place value. Ascending and descending order formation of smallest and greatest numbers.	Compare the digit with 5 digit numbers and say which is greater, write numbers in Indian and international place value system.
Roman numbers	Roman numerals	Read and write roman numbers up to 1000.

Reference Book/ Web link : www.aamath.com/g14a1-xt.htm

MAY

Addition	Addition with carrying , word problems, estimating the sum.	Apply the skills of addition to solve everyday problem.
----------	---	---

Reference Book/ Web link : www.mathsisfun.com/numbers/addition.html

JULY

Subtractions	Subtraction with borrowing, words problems. Estimating the difference .	Apply the skills of subtraction to solve everyday problem.
Multiplication	Multiplication by 1 digit number Multiplication by tens, hundred , two digit number three digit number. Word problem on multiplications.	Use the easy method to multiply by 10 , 100, 1000 etc. apply the skills of multiplication to solve everyday problem.

Reference Book/ Web link : www.mathsisfun.com/numbers/subtraction.html

AUGUST

Division	Properties of division , division by 10, 100, division by 2 digit number , application and estimating the quotient problems on four fundamental operations.	Divide by 10, 100, 1000 etc. by observing patterns. apply the skills of addition, subtraction ,multiplication and, composite numbers, division. Use unitary method to find solutions to simple problems. Calculate HCF and LCM. Use the prime
factors and multiples	Properties of factors, prime number, composite numbers, multiples and common multiples	

Reference Book/ Web link : www.mathsisfun.com/numbers/division.html

SEPTEMBER

Fraction	Fractions of whole, equivalent fractions, like and unlike fractions. Addition of like fractions. Subtraction of fractions.	Factorisation. Find the HCF and LCM. Convert fractions to proper, improper and mixed fraction.
----------	--	--

Reference Book/ Web link: www.maths-adds.com/money

UNIT NO. & LESSON	KEY CONCEPT /VALUE POINT	LEARNING OBJECTIVE
SEPTEMBER		
REVISION		
OCTOBER		
Money	Addition and subtractions of money, multiplications and divisions of money.	Convert rupees and paisa. Add and subtract and multiply rupees and paisa.
Shapes and patterns	Geometrical patterns, shapes patterns, patterns in addition and subtraction patterns in multiplication and division.	Recognise patterns in pictures and numbers, write secret messages by using patterns to make a code.
Reference Book/ Web link : www.mathsadds.com/money		
NOVEMBER		
Measurement of mass.	Addition and subtraction of weights, multiplication and division of weights.	State the units of measurement of weight in metric system
Measurement of capacity	Multiplication and division of capacity measures.	Convert from one unit to another higher or lower unit
Measurement of length.	Express bigger unit in terms of smaller units. Express smaller unit in terms of bigger units.	Apply the skills of addition and subtractions in metric system to solve word problems and everyday problems.
Reference Book/ Web link : Mathematics by R.D Sharma		
DECEMBER		
Geometry	Line, line segment, ray, curves, polygons, quadrilateral, circle, drawing line segments	Recognise and name the different types of triangles and quadrilateral.
Time	Estimating time, conversion of time.	
Reference Book/ Web link: www.mathsisfun.com/geometry/ .		
JANUARY		
Data handling	Bar graph- reading and interpretation of a bar graph.	Get information from data represented on bar graph.
Introduction to decimals.	Representations of decimals numbers, place value system of decimal numbers, like and unlike decimals, comparisons, decimals in measurement.	Convert fractions into decimals, decimals into fractions. Write the expanded forms of decimals.
Reference Book/ Web link: www.khanacademy.org/math/arithmetic/decimals		
FEBRUARY		
REVISION		

SCIENCE

CHAPTER AND KEY CONCEPT	ACTIVITY	LEARNING OBJECTIVE
-------------------------	----------	--------------------

APRIL

Ch-2 , The food factory. structure of plants components in photosynthesis Ch-1 Adaptations in plants. Interdependence between plants and animals.	Conducting simple laboratory test. Microscopic view of section of a leaf.	Describe the process of photosynthesis and role of chlorophyll Recognize the plants as the primary producers of food for all living beings. Describe how plants and animals are adapted to the environment. Recognize the different plants and animals in different environment
---	--	--

Reference Book/ Web link : www.internet4classrooms.com/skills_4th_science.htm

MAY

Ch-4 Reproduction in animals. Importance of reproduction , animals laying eggs	Make a chart showing the life cycle of butterfly and frog. Make a list of animals whose young ones don't look like them	Observing developmental changes in life cycle understand the need of reproduction
---	--	--

Reference Book/ Web link : www.internet4classrooms.com/skills_4th_science.htm

JULY

Ch- 8 Keeping safe Safety at home, in the kitchen, in the bathroom etc Ch- 3 Adaption in animals.	Collect a list of items needed for the first-aid and prepare a first-aid kit. Make a small pocket diary having all important phone. E.g. : ambulance, police station, hospital, etc Make a project on dinosaurs why they became extinct? Find out and write a report on the topic.	Follow rules that help us stay safe. Give basic first aid when an accident occurs. Recognise the animals living in different habitats adapted to the conditions there.
---	--	--

Reference Book/ Web link : www.nysgtsc.state.ny.us/kids/kidssign.htm

AUGUST

Ch- 5 Food we eat Requirement of different nutrients; proteins, carbohydrates Ch- 7 Digesting food	Make charts on digestive system. Make a chart showing different samples of foods that helps us to stay healthy. Write a recipe for a salad with all the nutrients.	Identify the nutrients present in different foods. To recognise the importance of a balanced diet. Digestion of food in several stages in digestive system, importance of good food habits.
--	--	---

Reference Book/ Web link : www.smallstep.gov/kids/html/can_your_food.html

CHAPTER KEY CONCEPT	ACTIVITY	LEARNING OBJECTIVE
SEPTEMBER		
Ch- 6 Our teeth and microbes Different kinds of teeth, structure of tooth, microbes, protozoa.	Divide the class in 2 teams and ask them to prepare a poster on ' care of teeth' on materials used to clean teeth now a days and early times respectively	To describe the structure of tooth. To identify the correct ways to take care of teeth classify microbes.
REVISION		
Reference Book/ Web link : www.dentistabout.com/ad/basicdentalcare/ss/simplybrush.htm		
OCTOBER		
Ch-9 Clothes we wear The formation of cloth, for work, material for clothes, care of clothes, etc	Go to the nearby tailor asking for different samples of fabrics and make an observation table about its feeling of touch, stretching, transparency etc	To recognise the importance of clothes for protection, identify the formation of cloth, need of different clothes in different seasons, clothes worn by various workers.
Reference Book/ Web link : www.students.websiteforever.com/www.childrenbooktrust.com.dm.htm		
NOVEMBER		
Ch- 13 States of matters Different states of matter, solid liquid and gasses. Change of state, solution etc. Ch- 12 Clean and green earth biodegradable and non biodegradable waste	Ask your mother to give you any five things from your kitchen like dal, baking soda, rice, turmeric, Atta, etc. To check whether they dissolve in water or not? Make an observation table. Make a thing of things which can be recycled.	To define matter and recognize its existence in different states, interchange ability of states of matter, their solubility. To describe the process of evaporation and condensation. To understand water cycle.
Reference Book/ Web link : www.internet4classrooms.com/skills_4th_science_htm		
DECEMBER		
Ch- 14 force, work and energy Force and its kinds work, energy and its types, sources of energy, the sun , moving water and air fuels.	Make a list of simple machines used in home and paste their pictures in notebook. Take a plastic scale and rub against dry hair. Attract to bits of paper to check the force acting.	To define force and identification of the common forces, importance of energy, identification of its forms. To define force and identification of the common. Forces.
Reference Book/ Web link : www.sciencekids.co.nz/gamesactivities/friction.html		

SOCIAL SCIENCE

CHAPTER	KEY CONCEPT	LEARNING OBJECTIVE
APRIL		
Ch - 1 India our Country	Neighbouring countries Physical division States and union territories	Learner will understand more about: Neighbouring countries, physical division States and union territories
Ch - 2 The Northern mountains	Northern mountains , Himalayas	Understand more about: Northern mountains its Climate
Ch - 3 Life in the Northern Mountains	States Of Northern India	Understand more about: Place of Interest, lifestyle of Region
Reference Book/web link: http://en.wikipedia.org/wiki/himalayas		
MAY		
Ch-4 The Northern plains	Soil and major rivers of the Region	Learner will understand more about :Location and extent of northern plains Its soil and major rivers
Ch - 5 Life in the Northern Plains	States, life and Culture of the region	Learner will understand more about: States of the region. The life and culture of the people
Reference Book/web link: www.indianetzone.com/24/the_northern_plains_india.htm		
JULY		
Ch - 6 The Western Desert	Location and extent of western desert	Learner will understand more about Location and extent of western desert, types of Climate, vegetation and wildlife.
Ch - 7 Life in the western Desert	Life style and Culture of the Region	Learner will understand more about Life style and Culture of the Region of the People.
Ch - 8 The southern plateaus	Location , Extent and parts of Southern plateaus	Learner will understand more about :Rivers, Climate Vegetation, Wildlife and Soils of region
Reference Book/web link: http://edugreen.teri.res.in/explore/life/thar.htm/www.rajasthan.gov.in/		
AUGUST		
Ch - 9 Life in the southern Plateaus	States of Southern Plateaus	Learner will understand more about Culture of the states in this region
Ch- 10 Coastal Plains and Islands	Eastern and Western Coastal Plain	Understand more about the coastlines and the island of India.
Ch - 11 Life in Coastal Plains and islands	States in Coastal Plains	Understand more about the Lifestyles and culture of the States and Islands.
Reference Book/web link: http://en.wikipedia.org/wiki/jharkhand		

CHAPTER	KEY CONCEPT	LEARNING OBJECTIVE
SEPTEMBER		
Ch- 12 Climate of India	Climate	Understand more about wildlife and steps to conserve forest Define Natural resources and their types Understand more about Formation of soil, its types and Define the term Soil Erosion.
Ch- 13 Our Natural Resources	Types of Natural Resources	
Ch – 14 Soil of India	Formation of soil erosion	

Reference Book/web link: http://en.wikipedia.org/wiki/climate_of_india

SEPTEMBER REVISION

OCTOBER		
Ch – 15 Forest Of India	Types and characteristics of Forest	Know more about Wildlife and Steps to Conserve Forests. Know more about water its Importance and its sources Understand the Importance of minerals ,its type and states rich in them.
Ch – 16 Water Resources of India	Sources of water	
Ch – 17 Minerals Resources of India	Types of minerals	

Reference Book/web link: <http://en.wikipedia.org/wiki/water>

NOVEMBER		
Ch – 18 Agriculture and Lifestock Rearing	Crops grown in India, life stock Rearing, green revolution	Understand importance of agriculture , crops grown in India and define the term green. Know about factors needed for growth of industries and its types Understand the importance and development of human resources
Ch- 19 Industries	Types of Industries	
Ch – 20 Human resources	Importance of Human resources	

Reference Book/web link: <http://en.wikipedia.org/wiki/mineral>

DECEMBER		
Ch- 21 Transport in India	Development of Transport System	Know about the types of transport system in India Define Communication, need and modes to communicate Know more about : Languages, Dances and Music Forms, Festivals of India.
Ch-22 Communication	Modes of Communication, mass Communication	
Ch- 23 Our Culture	Languages and Culture in India	

Reference Book/web link: www.education.nic.in

CHAPTER	KEY CONCEPT	LEARNING OBJECTIVE
---------	-------------	--------------------

JANUARY

Ch-24 Famous Personalities	Religious Leaders, Social reformers, Famous kings and scientists	Learner will enrich their knowledge on Religious leaders Social leaders Kings and scientists
Ch – 25 Our National Symbols	National flag , national bird ,national emblem	Learner will know about the national symbols

Reference Book/web link: <http://india.gov.in/knowindia.php>

FEBRUARY

Ch- 26 Our rights and Duties	Constitution, ideals of Democracy, fundamental rights and duties , Directive Principles	Learner will know about: Constitution, ideals of Democracy, fundamental rights and duties , Directive Principles
Ch- 27 Our Government	Level of Government and Courts	Learner will able to define Government and its levels.

Reference Book/web link: http://india.gov.in/govt/constitutions_india.php

COMPUTER

UNITNO. & CHAPTER	PRACTICAL	KEY CONCEPT	LEARNING OBJECTIVE
-------------------	-----------	-------------	--------------------

APRIL

Ch-1 Characteristics and Evolution of Computer	Make a chart on History of Computers	Evolution, Characteristics of , Limitation of Computer	To know various Computer generation and its evolution.
Ch-2 Input and Output Devices	Collect Pictures of Input & Output devices.	Input Device Output Devices	Identifying various Input/output devices.

Reference Book/web link: www.webopedia

MAY

Ch-3 More About Window	Learn to check Hard disk contents.	Desktop, Files & Folder Wallpaper, Screen saver	To do basic activities on Computer.
------------------------	------------------------------------	---	-------------------------------------

Reference Book/web link: www.microsoft.com

JULY

Ch-4 More About Paint MS Excel	Draw a circle and rectangle filled with some colour. Make a Student record	Edit Menu View Menu Image menu Row, Column, Cell and Table	Learning more commands on Paint Brush. To know basics of MS Excel.
---------------------------------------	---	---	---

Reference Book/web link: www.microsoft.com

AUGUST

MS Power Point	Making a PowerPoint Presentation	Inserting Music & Sound Files Animation	Learn to add music and sound in a power point
----------------	----------------------------------	--	---

Reference Book/web link: www.wikipedia.org

SEPTEMBER

Ch-5 More LOGO Commands	Draw your roll number on LOGO screen using LOGO command.	PENUP , ST, PU PD, PENERASE	Learning more commands on LOGO.
-------------------------	--	--------------------------------	---------------------------------

Reference Book/web link: www.ask.com/MSW+Logo+Turtle

UNITNO. & CHAPTER	PRACTICAL	KEY CONCEPT	LEARNING OBJECTIVE
------------------------------	------------------	--------------------	---------------------------

OCTOBER

Ch-6 Repeat and Print Commands in Logo	Draw Circle and Pentagon on LOGO screen using Repeat command.	REPEAT Command PRINT Command	Using Repeat and Print commands
--	---	---------------------------------	---------------------------------

Reference Book/web link: www.ask.com/MSW+Logo+Turtle

NOVEMBER

Ch-7 Introduction to Microsoft Word	Accessing MS word file on desktop. Creating your own document.	Creating a new Document Saving Document Opening & Closing Document	Usage of MS Word
-------------------------------------	---	--	------------------

Reference Book/web link: www.microsoft.com

DECEMBER

Ch-8 Multimedia	Learn to use CD/DVD drive. Open a DVD movie file. Install software from CD ROM	Installing a Multimedia CD-ROM, Window Media Player	Using various multimedia functions.
-----------------	--	---	-------------------------------------

Reference Book/web link: www.wikipedia.org

JANUARY/ FEBRUARY

PROJECT WORK

G.K

CHAPTER

LEARNING OBJECTIVE

APRIL

THE NATURAL WORLD

Natural Wonders, Mountain and Oceans
All in a name, Blast from the Past
Birdy Quiz ,Who am I?
Surviving Strong ,Our Green World

Recall some natural wonders, mountain & oceans of the World
List and name pre -historic animals & birds
Identify strong Survivors

Reference Book/web link: <http://www.sciencekids.co.nz/sciencefacts/earth.html>

MAY

SCIENCE AND TECHNOLOGY

Scientists, all human body system machines
science is fun meet the does net working

Recall important branches of science
List of medical equipment
Recall organ system of human body
List and name the doctors
Learn about computer network

Reference Book/web link: <http://www.sciencekids.co.nthsciencefacts/technology.html>

JULY

KNOWING INDIA

Touring India crops in India knowing south
India ,Days to celebrate shining India ,All
about winners changing names

List and name crops and tourist places in India
Recall days celebrated in India
Appreciate the facts about award winners
Familiar with new names of cities

Reference Book/web link: <http://kids.yahoo.com/reference/world-factbook/country/in--india>

AUGUST

AROUND THE WORLD

Transport tales , kitchen tales ,celebrity
gallery, politician's gallery, notable women ,
Amazing Africa, famous faces, sobriquets by
the rivers, exploring the world ,people in the
news , road rules.

Recall and name unique means of transport
Appreciate the contribution of Bollywood stars,
politician and brave women

Reference Book/web link: <http://kids.yahoo.com/reference/world>

SEPTEMBER

SPORTS

On the track football and hockey is fun
playing for the country playing kabaddi

Appreciate famous football and hockey stars.
Recall and name athletic events

Reference Book/web link: <http://www.topendsports.com/sport/index.html>

CHAPTER**LEARNING OBJECTIVE****OCTOBER**

We love cartoons books are authors proverbs
for you so many books! Best of Bollywood
popular painter pick a phrase film magic

Appreciate the autobiographies, Proverbs of
famous writer

Appreciate famous painter and best Bollywood
movies

Reference Book/Web link :<http://www.internet4classrooms.com/ct-lsk.html>

NOVEMBER**LIFE SKILLS**

Interview right , sporting spirit, reading maps
Express yourself

Importance of sporting spirit & public speaking
in life

Gain a sense of map reading.

Reference Book/Web link :<http://www.internet4classrooms.com/ct-lsk.html>

DECEMBER**LOGICAL REASONING OUR ENVIRONMENT**

Renewable riches
Managing waste
Pollution at bay

- Use words & phrases in Conversation
- Solve and Calculate numbers
- Understand renewable and non -
renewable source of energy

Reference Book/Web link :<http://www.internet4classrooms.com/ct-lsk.html>

JANUARY

Project work

ART EDUCATION

NAME OF ACTIVITY	PRACTICAL	LEARNING OBJECTIVE
------------------	-----------	--------------------

APRIL-MAY

Basic of art	Line types Line directions Shapes Colouring	**children sketching skills will improve. *children observation power will improve. *able to catch the rite figure in forms. *it will improve their coloring skills.
--------------	--	---

Reference Book/web link: www.google.com

JULY-JANUARY

craft work	Art & craft work (from book & from personal planner)	*creative skills will improve.
------------	---	--------------------------------

Reference Book/web link: www.google.com

FEBRUARY

worksheet	Worksheet to get assessment marks	*these sheets will show the final ability
-----------	-----------------------------------	---

Reference Book/web link: www.google.com
